

Established to give Refuge

(Image taken from Bible Art)

“What answer shall be given to the envoys of that nation?

“The Lord has *established* Zion, and in her His *afflicted people* will find *refuge*” (Is. 32:14)

When me and my wife read this verse during our quiet time, she said how special this is, because it feels to her as if this is also what the Lord has done in *establishing* Disciples Go Ministries.

Realizing this, I felt a deep sense of thankfulness, that the Lord is able to use us to be such a *support network* to His labourers, who many times are *afflicted and suffering*.

We are thankful to see how many of them are finding *refuge* in Him as they become part of this network of disciple-makers.

It is the greatest privilege to see them grow in *faith* and in bearing lasting *fruit*, as we journey together and support each other in *making disciples*, who *make disciples*!

Up till now *Twenty* disciple-makers from across *Africa* have become part of this network.

Together most of them have grown to become disciple-making leaders in their areas, focused on making disciples as well as developing strong disciple-making teams

Taking all of their disciple-making efforts into account, *59 People of Peace* have been found, who has opened up their groups of people to the Gospel, which has led to the establishment of *Discovery Bible Study groups* amongst all of them.

Many of these groups have also *multiplied* into new groups of people discovering God for themselves and becoming disciples of Jesus!

This speaks of the impact these brothers and sisters are making into *lostness* and we thank God for doing all of this, as these Kingdom workers are finding *refuge* in what He has *established*...

After disciple-making

trainings in Malawi both James (left) and Erick (right) have made it their *life's ambition* to fulfil the *Great Commission*! Taking on the *lifestyle of a disciple-maker*, both of them have been fruitful in *praying for-, seeking, finding and discipling* the people of peace as well as training other believers to also make disciples in this way.

James has found prepared people of Peace amongst Muslims and he is seeing how God is drawing them to Himself through the Discovery Bible process.

While Eric is going from town to town, seeking and identifying these receptive people and those that have the *seed of movement* in them.

We are very excited to start partnering with them in their efforts to accomplish their life's ambition to fulfil the Great Commission!

"God will bring forth *movement*, but He works through *obedient disciples*" (Aila Tasse)

JOY as new *disciples* are baptized!

Eugenie Muteteri and her team of disciple-makers in *Rwanda* is an example in faithfulness and endurance. Working tirelessly to advance His Kingdom by making disciples, who *make disciples*.

This month they travelled to various places, where they previously found *people of peace*, to share in the joy of all the *new disciples* being baptized. Many new disciples are coming forth from this movement, all of them being equipped and willing to go and disciple the nations.

It is a great privilege for *Disciples Go Ministries* to be partnering with Eugenie and her team, in giving them the necessary support to be able to fulfil their disciple-making efforts.

This month Disciples Go Ministries had the privilege to start training the employees of a local business, to become disciple-makers for Jesus.

While the training was not mandatory, many employees at both the warehouse and the factory pitched up prior to work, to learn how to become workers in the Lord's harvest. There is a real excitement amongst them to take part in this journey of becoming disciple-makers.

This is the fruit of years and years of faithful *sowing* by owners and business leaders, who has their priorities straight. Knowing that as children of God, taking part in the “*family business*” of reaching the lost and making them part of the household of God, is what truly matters...

This is very humbling to see and we at *Disciples Go Ministries* are looking forward to what is to *come*...

Dare to Love

There is a group of people who is not scared to take up this dare. A group of brothers and sisters in Christ, who I am learning so much from.

Every Saturday morning teams from “Dare to Love” come together to love, to serve and to share the Word of God with the poor and *afflicted* in our communities. And when you speak to these people, they will tell you how this is impacting their lives.

One man shared with me how his life has changed since coming to this meeting on a weekly basis. Because of this he has started reading His Bible and started applying what he is learning from the word of God, in his daily life.

“Don’t tell them Jesus loves them before you are not willing to do the same...”

And while his *circumstances have not changed*, he can honestly say that *he has changed* and that he is enjoying what God is doing in renewing his mind. This is what God can do when we *Dare to Love*...

Everyone is welcome to join every Saturday morning at 07:00-08:00, at the Kolonnade Shopping Centre in Pretoria or any other place where *Dare to Love* reach out into communities.
